Description :

PDF-fa466 | Japan is a place of special fascination for the acclaimed international comics creator Igort, who has visited and lived there more than 20 times, and worked in the country's manga industry for more than a decade. In this masterful new book—part graphic memoir, part cultural meditation—Igort vividly recounts his personal experiences in Japan, creating comics amid the activities of everyday life... *Japanese Notebooks: A Journey to the Empire of Signs*
