Description :

PDF-c3186 | Numinosity: A Fractured Memoir is a book audaciously modeled on the iconic Life magazine. It consists of six chapters, each an issue of a photo journal called Numinosity. The content is based on pulse-raising events of the times and Morganstein's eccentric family history, woven into a fictionalized memoir. The issues feature articles written by invented personalities, all played by the author. In ... *Numinosity: A Fractured Memoir*
