Description :

PDF-e28a4 | With a preface by Will Eisner. Paracuellos is a work of great courage, created at a time when telling the truth about Spain's political past could get one killed. It is arguably the most important graphic memoir ever created in comics. Carlos Giménez's autobiographical account of the plight of children in post-World War II Fascist Spain has won virtually every comics award in Europe, including "Be... *Paracuellos Volume 1*
