Description :

PDF-37768 | This graphic biography documents the brief and intense period of creativity Vincent van Gogh (1853–1890) spent in Arles, Provence, in southern France. Here van Gogh dreams of setting up an artists' studio—a haven where he and his friends can paint together. But attacks of mental illness leave the painter confused and disoriented. When his friend and fellow artist Paul Gauguin refuses to resi... *Vincent: Art Masters Series*
